HERITAGE[®] Premium
LAMINATED ASPHALT SHINGLES

HERITAGE[®]
LAMINATED ASPHALT SHINGLES

Nothing distinguishes the look of a home quite like an architecturally shingled roof. Featuring a wide range of shingles, TAMKO® delivers the cut, color and coverage that allow you to express your style as a homeowner.

1. Cut Classic wood-shake look

Complement your home's architecture by adding a striking new dimension to your roof. Heritage® Series shingles replicate the beautiful, natural aesthetics of wood shakes, at a lower cost, without the fire susceptibility of real wood. And the random-cut sawtooth design of Heritage Series shingles provides added beauty.

2. Color A full palette of distinctive choices

Find the colors you want to get the look you want. Heritage Series shingles feature striking color palettes that range from classic to contemporary to strikingly bold. All Heritage Series shingles offer TAMKO's own unique granule mix and a distinct color drop to create a random shake-like look across the entire roof, as well as a Shadowtone blend that provides enhancing natural contrast and depth.

In 1995, TAMKO introduced vibrant tones to the roofing industry with the launch of America's Natural Colors®.

Heritage Series shingles offer a unique granule mix and distinct color drops.

3. Coverage Going beyond the beauty

The beauty of your roof is only half the story. Shingles begin to age as soon as they are exposed to nature. Buildings experience aging factors differently, so it is difficult to predict how long shingles will last. That's why TAMKO provides a Limited Warranty.

Heritage Premium shingles come with a 50-year Limited Warranty and a 20-year Full Start Period. Heritage shingles come with a 30-year Limited Warranty and a 15-year Full Start Period. Both are UL Listed for Class A Fire Resistance and UL Classified for Wind Resistance. They also come with our Algae Relief—Algae Cleaning Limited Warranty that provides for cleaning of discoloration by certain algae growth. Go to tamko.com for details or call us at 1-800-641-4691.

TAMKO offers many additional products to complete your roof.

- 1 Ice & Rain Underlayments
- 2 Underlayments
- 3 Shingle Starter

Heritage Series Shingle Construction

- 1 Double-layer (common bond) area for fastening
- 2 Shadowtone feature adds dimension, depth of appearance and curb appeal
- 3 Random-cut sawtooth design adds beauty to replicate a wood-shake look
- 4 Self-sealing strip of asphalt on bottom side
- 5 Moisture-resistant weathering-grade asphalt coating
- 6 Asphalt laminate adhesive
- 7 Fiberglass mat

The Heritage cut application method helps to add speed and reduce waste—only two cuts are required to start five courses, and pieces that are 8 inches wide or longer can be worked back into the field. See Heritage application instructions for further details.

† Up to 130 mph when installed using High Wind Application.

* Provides for cleaning of discoloration caused by certain algae growth.

LIMITED WARRANTIES—IT PAYS TO COMPARE

Shingles begin to age as soon as they are exposed to nature. Buildings experience aging factors differently, so it is difficult to predict how long shingles will last. That's why TAMKO provides a Limited Warranty.

When comparing shingle warranties, it's not the length of the limited warranty that matters most. It's the length of the full start period.

Heritage shingles' Limited Warranty offers a 15-year Full Start Period—the critical period of time in which shingles and the labor to install them are covered at 100 percent (labor does not include tear-off, removal or disposal). Heritage Premium shingles' Limited Warranty offers a 20-year Full Start Period.

Go to tamko.com for details or call us at 1-800-641-4691.

HERITAGE Premium Shingles
