TRIM

MOULDING

We know you take great pride in your home. We know you want nothing but the best. AZEK Building Products are engineered to withstand the test of time, and designed to last beautifully.

AZEK Trim and Moulding offer the highest performing wood replacement line of PVC products available in the market. We understand quality, longevity and durability, so we designed our trim and moulding products to not split, crack or rot...allowing you to spend more time enjoying life's finer things instead of worrying about maintenance.

Whether you are relaxing in your outdoor haven, or entertaining party guests, you can rest assured knowing that AZEK Building Products will take your home to a whole new level of elegance and sophistication.

TRIM

MOULDING

# TRIM

AZEK Trim, offers an unequalled combination of uniformity, durability, workability and beauty. AZEK Trim is available in trim, sheets, cornerboards and beadboard, as well as other unique trim products that help solve common construction challenges.

## AZEK TRIM — #1 BRAND IN TRIM

Look & Feel of Real Wood

Durable & Long Lasting

Low Maintenance

Can be Worked Similar to Wood - Even Mitered, Routed & Turned on a Lathe

Can be Heat Formed for Eye-Catching Curves

25 Year Warranty

Building Code Report  
(ESR-1074)

## AZEK Trim... Best-in-Class

### WHY IS AZEK TRIM THE #1 BRAND OF TRIM?

- Over 25 years of cellular pvc manufacturing experience.
- State-of-the-art manufacturing facilities.
- Confidence of a Building Code Report ESR-1074.
- Maintains a “like new” appearance even in the harshest of weather conditions.
- Made in America, AZEK Trim uses high quality ingredients to create boards you’ll be proud to have on your home.

#### Beauty

Semi-matte White Finish  
White Color Throughout Profile  
Maintains Its Color Without Protection  
Readily Accepts Paints

#### Durability

Never Requires Paint for Protection  
Will Not Rot, Cup, Split, Twist or Warp  
Moisture and Insect Resistant  
Suitable for Ground/Masonry Contact  
25-Year Limited Warranty

#### Workability

Use Standard Woodworking Tools  
Can be Milled, Shaped and Moulded  
Can be Heat Formed for Curved Applications  
Fasten Close to Edge Without Splits  
Can Rout or Cut without “Chip Outs”

#### Uniformity

Consistent Density  
Square Edges  
No Waste, Every Inch Usable

Most AZEK Trim products are available in either the Traditional or Frontier finish.

#### TRADITIONAL

Natural, semi-matte white surface

Available in board, cornerboard, beadboard, AZEK to Mill, sheets, Finish Grade Trim, Universal Skirt Board, Integrated Drip Edge and Column Wrap

#### FRONTIER

Rustic Texture

Reversible - Traditional on one side and Frontier on the other

Available in board, cornerboard, Integrated Drip Edge, and Universal Skirt Board

# 25-Year Limited Warranty

## AZEK's Warranty

- Perfect for ground contact applications
- Impervious to moisture and insects
- Does not require paint for protection
- Can be heat formed for unique designs
- Building code listing ESR-1074

## With the AZEK Edge

- Precise, sealed edges on all 4 sides (S4S)
- Stays cleaner in the lumberyard and job site
- Tight board tolerances
- Easier to clean if it does get dirty

With unparalleled quality, AZEK Trim products are backed by a proven track record of performance that tops all competitors. For a trim product that will offer years of lasting good looks, choose AZEK Trim.

## AZEK Trim (Traditional & Frontier)

Trim that is easy to work with and offers long lasting durability, AZEK Trim is the perfect replacement for wood in all non-stress and non-load bearing applications. It can be easily milled, routed, and heat formed for custom looks. AZEK Trim doesn't require paint for protection, but can be easily painted for aesthetics.

### 5/8 x Thickness

Actual	Lengths
5/8" x 3 1/2"	12' and 18'
5/8" x 5 1/2"	12' and 18'
5/8" x 7 1/4"	12' and 18'
5/8" x 9 1/4"	12' and 18'
5/8" x 11 1/4"	12' and 18'
5/8" x 15 1/4"	12' and 18'

### 4/4 x Thickness

Nominal	Actual	Lengths
1 x 2	3/4" x 1 1/2"	18'
1 x 4	3/4" x 3 1/2"	12' and 18'
1 x 5	3/4" x 4 1/2"	12' and 18'
1 x 6	3/4" x 5 1/2"	12' and 18'
1 x 8	3/4" x 7 1/4"	12' and 18'
1 x 10	3/4" x 9 1/4"	12' and 18'
1 x 12	3/4" x 11 1/4"	12' and 18'
1 x 16	3/4" x 15 1/4"	12' and 18'

### 5/4 x Thickness

Nominal	Actual	Lengths
5/4 x 4	1" x 3 1/2"	12', 18', and 20'
5/4 x 5	1" x 4 1/2"	12', 18', and 20'
5/4 x 6	1" x 5 1/2"	12', 18', and 20'
5/4 x 8	1" x 7 1/4"	12', 18', and 20'
5/4 x 10	1" x 9 1/4"	12', 18', and 20'
5/4 x 12	1" x 11 1/4"	12', 18', and 20'
5/4 x 16	1" x 15 1/4"	12', 18', and 20'

### 6/4 x Thickness (Frontier Only)

Nominal	Actual	Lengths
6/4 x 4	1 1/4" x 3 1/2"	20'
6/4 x 6	1 1/4" x 5 1/2"	20'
6/4 x 8	1 1/4" x 7 1/4"	20'
6/4 x 10	1 1/4" x 9 1/4"	20'
6/4 x 12	1 1/4" x 11 1/4"	20'

## AZEK Finish Grade Trim\* (Traditional Only)

Two-piece trim system installs quickly and easily, saving time and labor costs while providing a beautiful, smooth, fastener-free trim surface. No need to fill, paint and sand nail holes. Perfect for door and window surrounds, but could be used in nearly any trim application.

Base plate can be quickly and securely face nailed. Then the cover trim fits neatly over the base trim and includes a nailing flange to eliminate visible fasteners.

### Finish Grade Trim\*

Nominal	Actual	Lengths
6/4 x 4	1 1/4" x 4"	18'
6/4 x 6	1 1/4" x 6"	18'
3" x 3" (Miter Key Corner Reinforcement)		

## AZEK Universal Skirt Board\*

Providing the perfect transition between the siding and trim, as well as assisting in water management, the two piece Universal Skirt Board includes a reversible trimboard that is routed to accept a proprietary universal siding interface.

Unlike other skirtboards, AZEK Universal Skirt Board will work equally well with a variety of siding products including fiber cement, vinyl, cedar shingles or wood.

The AZEK Universal Skirt Board reduces labor, saves installation time and costs, and replaces the need for starter strips. It is perfect for use where water tables are not needed or desired.

### Universal Skirt Board\*

Nominal	Actual	Lengths
5/4 x 6	1" x 5 1/2"	18'
5/4 x 8	1" x 7 1/4"	18'
5/4 x 10	1" x 9 1/4"	18'

1 1/2" nailing flange length  
1/4" drip edge overhang

\* Patent Pending  
†Traditional only

AZEK Integrated Drip Edge\*

Trim product designed to assist with water management efforts around window and door surrounds. The two piece product, which includes a reversible trimboard, is routed to accept a drip edge designed to help channel water away from the window or door surround. For easy installation, the drip edge has an integrated nailing flange to reduce labor and installation costs.

Integrated Drip Edge*		
Nominal	Actual	Lengths
5/4 x 4	1" x 3 1/2"	18'
5/4 x 6	1" x 5 1/2"	18'
1/4" nailing flange		
1/8" drip edge overhang		

AZEK Rabbeted Cornerboard and Trim (Traditional and Frontier)

With rabbeted edges, the one-piece AZEK Rabbeted Cornerboard is designed to ease siding installation and deliver a crisp, clean trim facade. AZEK Rabbeted Trim also eases installation for a clean finish.

Rabbeted Cornerboard		
Nominal	Actual	Lengths
5/4 x 4	1" x 3 1/2"	10' and 20'
5/4 x 6	1" x 5 1/2"	10' and 20'
5/4 x 8	1" x 7 1/4"	10' and 20'
(Traditional Only)		

Rabbeted Trim		
Nominal	Actual	Lengths
5/4 x 4	1" x 3 1/2"	18'
5/4 x 6	1" x 5 1/2"	18'
5/4 x 8	1" x 7 1/4"	18'

\* Patent Pending  
\*Traditional only

AZEK Cornerboard (Traditional and Frontier)

With a seam that will not open, AZEK Cornerboards offer time savings during installation while providing an upscale look. Available in Traditional and rustic Frontier in 10' and 20' to complement any housing exterior.

5/4 x Thickness		
Nominal	Actual	Lengths
5/4 x 4	1" x 3 1/2"	10' and 20'
5/4 x 6	1" x 5 1/2"	10' and 20'
6/4 x Thickness		
Nominal	Actual	Lengths
6/4 x 4	1 1/4" x 3 1/2"	10'
6/4 x 6	1 1/4" x 5 1/2"	10'

AZEK Beadboard

Reversible Beadboard profile with edge/center bead on one side and v-groove on the other side. This design offers flexibility when planning your project. Perfect for wainscoting and porch ceiling.

1/2" Beadboard has a nailing flange for easier installation.		
Beadboard		
Nominal	Actual	Lengths
5/8 x 4	5/8" x 3 1/2"	18'
1/2 x 6	1/2" x 5 1/2"	18'

AZEK Sheet (Traditional)

Perfect for bay windows, dormers and raised panels. Applications over 16" wide are easy.

AZEK Sheet	
Actual	Lengths
3/8" x 4'*	8' and 10'
1/2" x 4'*	8' and 10'
5/8" x 4'	8', 10' and 18'
3/4" x 4'	8', 10', 12' and 18'
1" x 4'	8', 10', 12' and 20'
*3/8" and 1/2" sheet product is not intended to be ripped into trim pieces. These profiles must be glued to a substrate and mechanically fastened. Contact your AZEK Territory Sales Manager with questions.	

AZEK to Mill (ATM)

Perfect for use as a fabrication component due to its thicker profile. The consistent density and solid color offer a superior product for milling operations.

AZEK to Mill (ATM)	
Actual	Lengths
1 1/4" x 9 1/4"	18'
1 1/4" x 48"	8'

All photos contained in this brochure are for display purposes only and not for the purpose of validating the suitability or safety of any particular installation or application of the product. Always consult AZEK's Installation Instructions as well as local building codes to ensure proper installation.

AZEK Column Wrap

Easy to install, 3-Plus-1 column wrap profile saves time and installation costs. Three connected panels and a fourth "locking" panel fit easily around a structural support with press fit seams and nicely finished corners. AZEK Column Wrap is available in the Traditional finish.

Column Wrap		
Nominal	Actual	Lengths
4 x 4	3 3/4" x 3 3/4"	10'
6 x 6	5 3/4" x 5 3/4"	10'
8 x 8	7 3/4" x 7 3/4"	10'

AZEK Adhesive

Water-based, non-toxic, easy to clean-up adhesive that is perfect for AZEK to AZEK adhesion. Glued joints will never open.

AZEK Adhesive	
Container Size	
4 oz.	32 oz.
8 oz.	128 oz.
16 oz.	5 Gal. (640 oz.)

AZEK Trim and AZEK Mouldings should be installed using the same good building principles used to install wood or composite trim and mouldings and in accordance with the local building codes and established installation guidelines. AZEK Building Products Inc. claims no liability or responsibility for the improper installation of this product.

AZEK Trim and AZEK Moulding may not be suitable for every application and it is the sole responsibility of the installer to be sure that AZEK Trim and Mouldings are fit for the intended use. Since all installations are unique, it is also the installer's responsibility to determine specific requirements in regards to each trim application. AZEK Building Products recommends that all applications be reviewed by a licensed architect, engineer or local building official before installation.

Technical information and AZEK Trim and Moulding Installation Guidelines are available online at [www.AZEK.com](http://www.AZEK.com) or from your local AZEK Dealer. If you have any questions or need assistance, please call AZEK Customer Service at 877-ASK-AZEK (877-275-2935) or visit [www.AZEK.com](http://www.AZEK.com).

# MOULDING

AZEK Mouldings are available in many of the most popular moulding profiles. AZEK products are known for longevity and durability and won't split, crack or rot. They can be installed using traditional tools and fasteners and, for custom applications, most AZEK Moulding products can be heat formed to create eye-catching curved moulding details.

## AZEK MOULDING — THE PERFECT COMPLEMENT TO AZEK TRIM

Durable & Long Lasting

Moisture Resistant

Insect Resistant

Available in Most  
Popular Profiles

Low Maintenance

Perfect for Ground  
Contact Applications

25 Year Warranty

Does Not Require Paint  
for Protection

## AZEK Moulding

- Same color, look and feel as AZEK Trim
- Crisp, authentic architectural details
- Increases stability/predictability and minimizes expansion/contraction when fastening
- No painting required, yet easy to paint if a custom color is desired
- UV protection inside and out
- Uniform material minimizes chip outs on cut lengths
- One warranty covers all products
- No cupping, rotting or splitting
- Most can be heat formed to create curved moulding details
- Installed with similar tried-and-true installation methods as traditional wood mouldings
- Standard AZEK Installation Guidelines will apply to AZEK Mouldings
- Use AZEK Adhesive for "welding" AZEK to AZEK surfaces and eliminate joints

### THE AZEK DIFFERENCE...

The best looking, highest performing wood replacement line of mouldings available in the market - AZEK Moulding. You will be proud to show off your beautifully designed space now, and for years to come.

## CROWN PROFILES

Crown moulding profiles are typically decorative mouldings designed for use along the intersection of a wall and ceiling. May be combined with other mouldings to create a "built-up" profile.

8" Crown
