TRADITIONS

PAINT-READY PORCH FLOORING

Aeratis Traditions is an uncolored board that can be painted or stained in any color. Unlike the Classic line which can also be painted, Traditions flooring requires paint or stain to maintain its unmatched warranty. When painted, Aeratis Traditions maintains a 5-A paint adhesion, the strongest paint adhesion in the industry (no priming needed). Enjoy the same low maintenance porch that matches the look and feel of your home in a color that's right for you, with a 20 year warranty.

TRADITIONS TWENTY-FOUR

Aeratis Traditions-24' Beaded Ceiling/ Wainscoting is a historically accurate, double sided, paint ready PVC ceiling product. The Traditions Ceiling board dimensions are 5" x 3/8" x 16'. What makes the Traditions ceiling board unique is the fact that it is the only synthetic that can be installed with the ceiling joist 24" OC. Further, the ceiling board can be painted any color due to the nature of our proprietary paint grade formulation. (see paint instructions and paint rebate at Aeratis.com). The Traditions ceiling board not only saves time and money during the installation process, it dramatically reduces the overall construction cost due to the significant advantage of the 24" OC span raftering over every other synthetic on the market.

Aeratis Heritage

Aeratis Heritage comes in three pre-finished colors. Heritage can be painted, stained, or left natural. The three colors available are Weathered Wood, Battleship Gray, and Redwood. Unlike Aeratis Classic, Heritage is a double-sided board with a finished surface on both sides.
