Your home is your own personal retreat. Wrap it in the beauty and elegance of the Richwood shutter collection.

RICHWOOD® STYLE SELECTION

RICHWOOD® MEASURING & ORDERING

Quality Shutters for Any Home

Our high-quality shutters are built to look as good as your home — whether it's brick, stone, vinyl siding, stucco, or wood.

Virtually Maintenance-Free

Richwood shutters retain their high quality and vibrant color through the life of your home, and are maintenance-free. We achieve this tremendous quality through our use of advanced UV stabilizers and a tough acrylic coating, which minimize the effects of sun, rain, and wind.

Industry-Leading Warranty

All of our high-quality shutters are built to last a lifetime. Richwood shutters will not split, crack, peel, or fade. In fact, we feel so strongly about our quality that we offer a Limited Lifetime Warranty on all of our shutters.

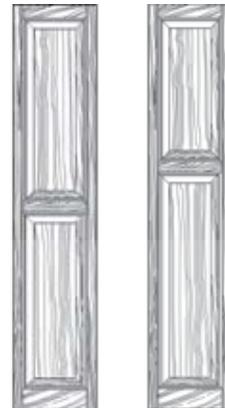

A Style & Color for You

Our two elegant panel styles create the perfect fit for your home. Richwood offers classic styles like the louvered design, as well as the raised panel design. Our shutters are available in 17 classic colors, factory finished to ensure quality and consistency. And when styles change they can also be painted with a high quality latex paint. Richwood's durable design allows you to repaint the shutters over again.

Variety of Sizes to Fit your Windows

Richwood shutters come in a wide variety of standard heights and widths to fit almost any window. If one of our many standard sizes will not work, we can custom make virtually any length to meet your needs.

RAISED PANEL SHUTTERS

STANDARD STYLE
(Raised Panel)

COTTAGE STYLE
(Raised Panel)

Raised panel shutters offer the unique, turn-of-the-century look of the grand homes of the South, but with a contemporary richness and style. Their simple lines create a striking profile to your home that is reminiscent of our early American heritage. Richwood's raised panel shutters can be purchased in both custom and standard sizes, and come with our Limited Lifetime Warranty. They can be paired with matching transom tops or arch tops for added height and impact.

LOUVERED SHUTTERS

STANDARD STYLE
(Louvered)

COTTAGE STYLE
(Louvered)

Nothing gives your home a classic look like louvered shutters. Steeped in the traditions of American history, our elegant louvered shutters provide the perfect finishing touch to your home by capturing the rich natural woodgrain texture of real wood shutters—but without the splitting, cracking, and peeling. Richwood louvered shutters can be paired with arch tops to accent circle top windows.

Simple to Buy

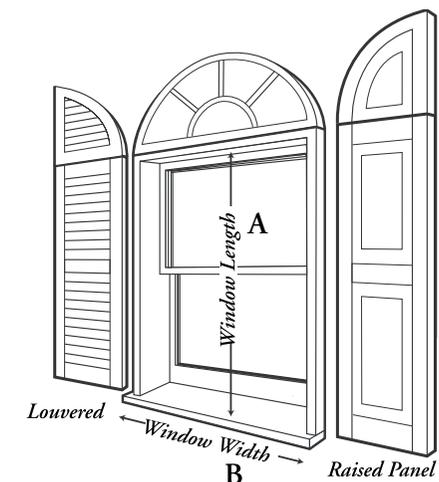

Choosing the right Richwood shutter for your home is as easy as 1 - 2 - 3:

- 1 Select the color that complements your home's exterior.
- 2 Choose the style that best suits your personality.
- 3 Determine the size that fits your windows by measuring the Length (A) and Width (B). Use the measuring and ordering guide on the back cover to determine the correct shutter size.

Raised Panel or Louvered Arch Tops can be added to circle top windows over 15" standard shutters. The Raised Panel Transom Top can be used over 15" standard shutters to accent a transom window.

Custom Built-to-Order Program

You can customize any of our Richwood shutters for a perfect fit to your home. With the Richwood Built-to-Order Program, we can make any of our shutters to perfectly fit your home. Custom sizes are available, in any length from 18"–96" (in 1" increments). You can even mix and match custom and standard size shutters on the same home.

RICHWOOD® COLOR SELECTION

Beautiful Colors

Richwood raised panel shutters are available in 17 beautiful colors, specially selected by our national color expert.
